

Dayalbagh Educational Institute

The steps to be followed by the students to attempt the exam.

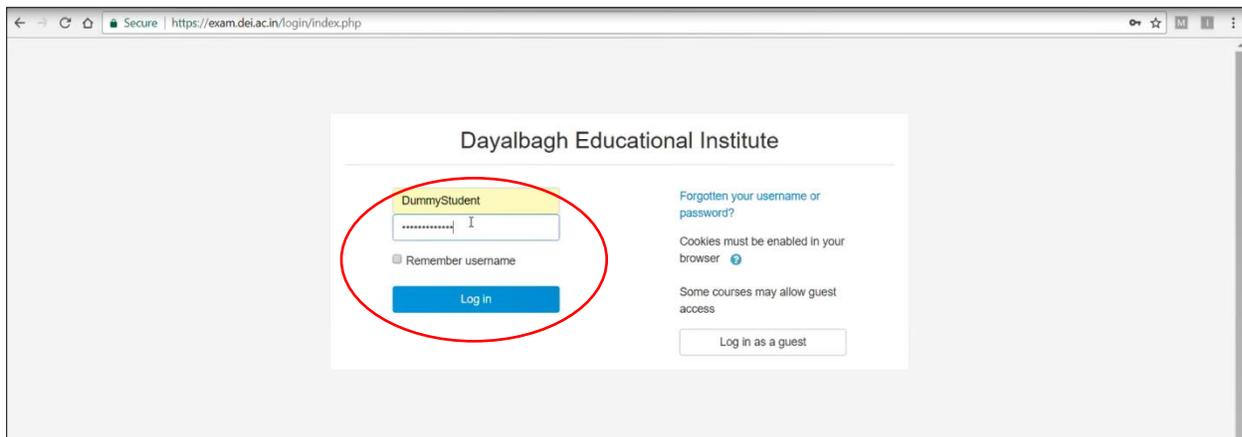

1. Open up the browser and type exam.dei.ac.in.

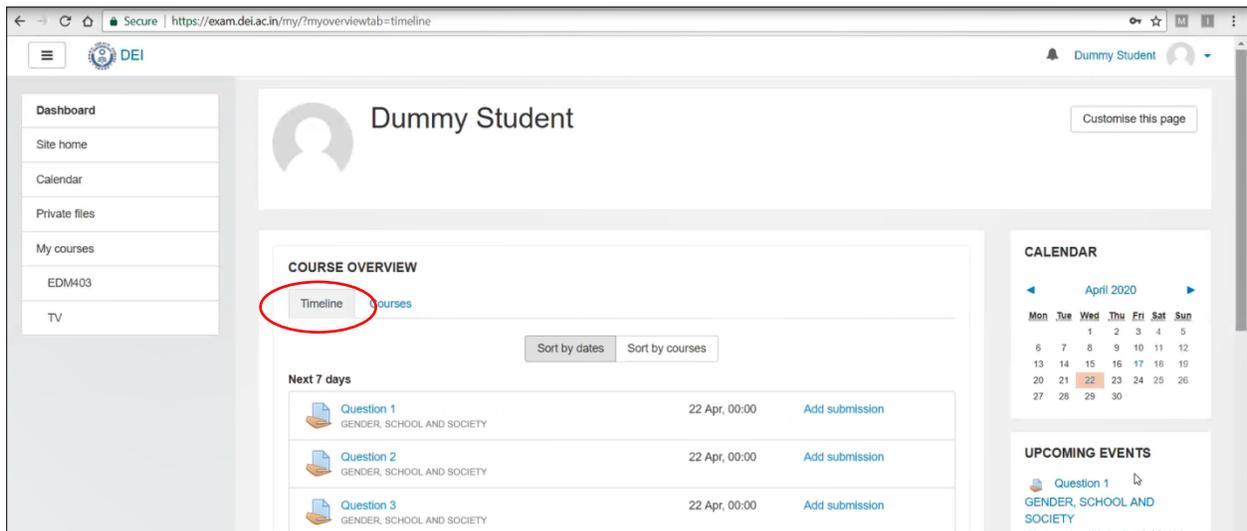

2. Click on Log in link.

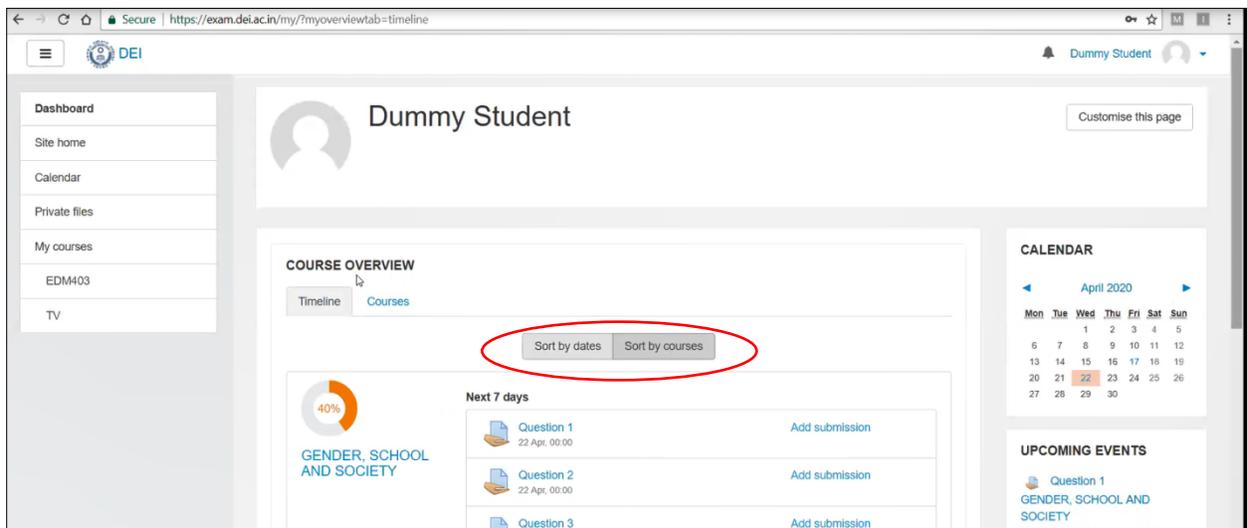

3. Log in to the system by using the user name and password.

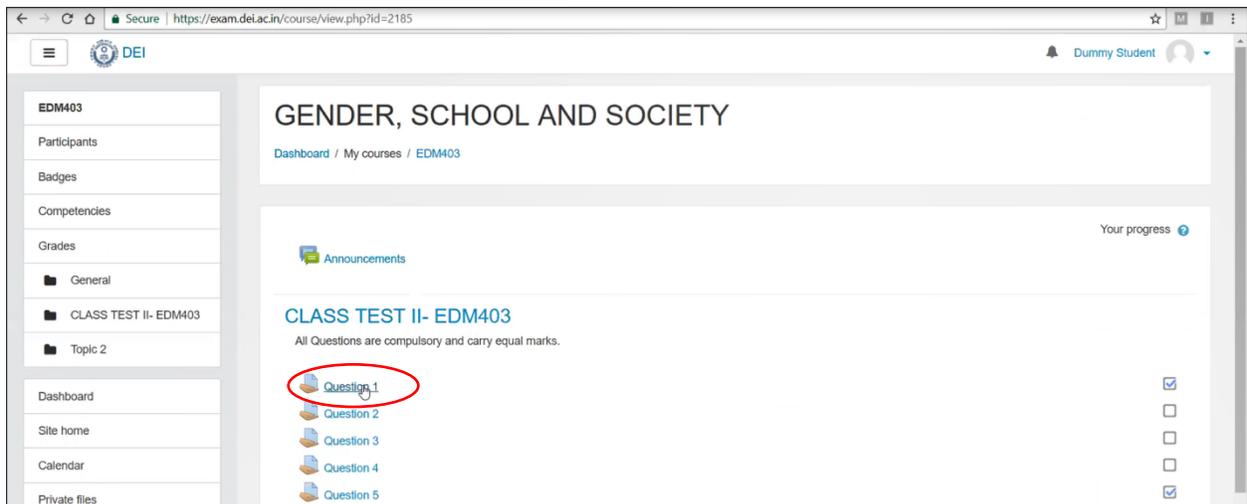

4. Click on timeline tab to see all the assignments, submission due dates, calendar and upcoming events.

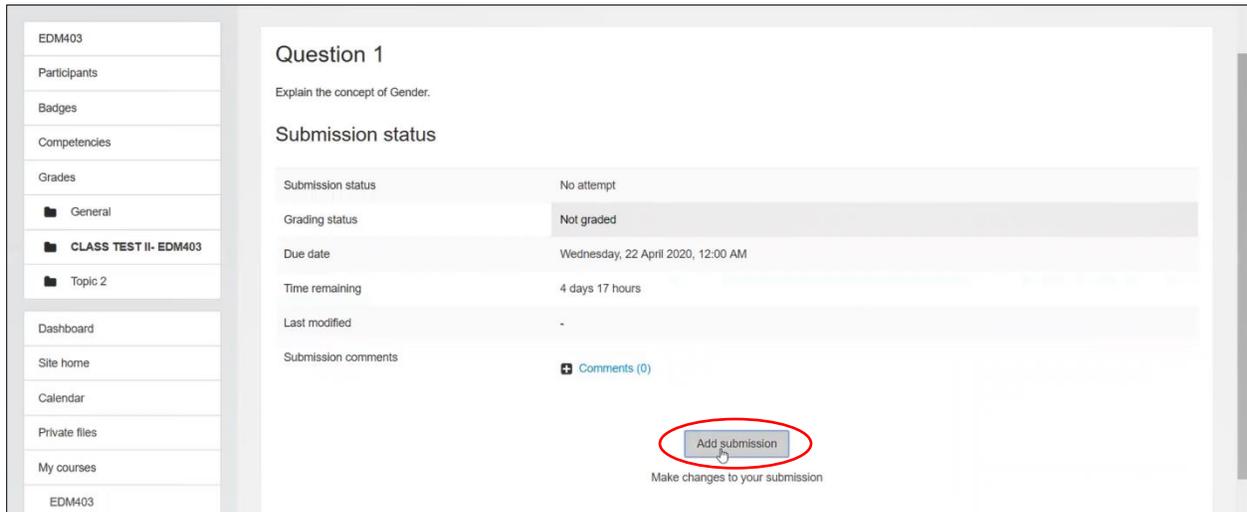

5. Assignments can be sorted either by dates or courses by clicking on sort by dates and sort by courses tab.

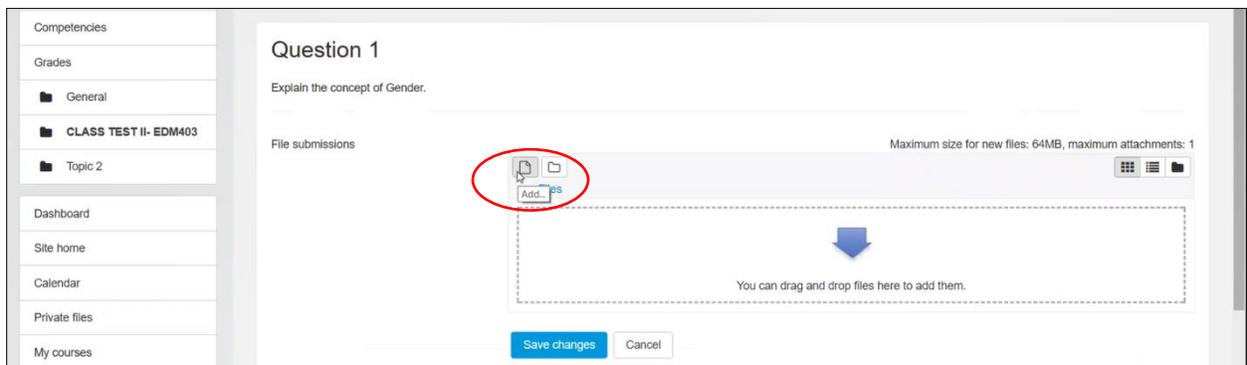

6. To attempt a question within a course, click on a question you want to attempt and click on Add submission button.

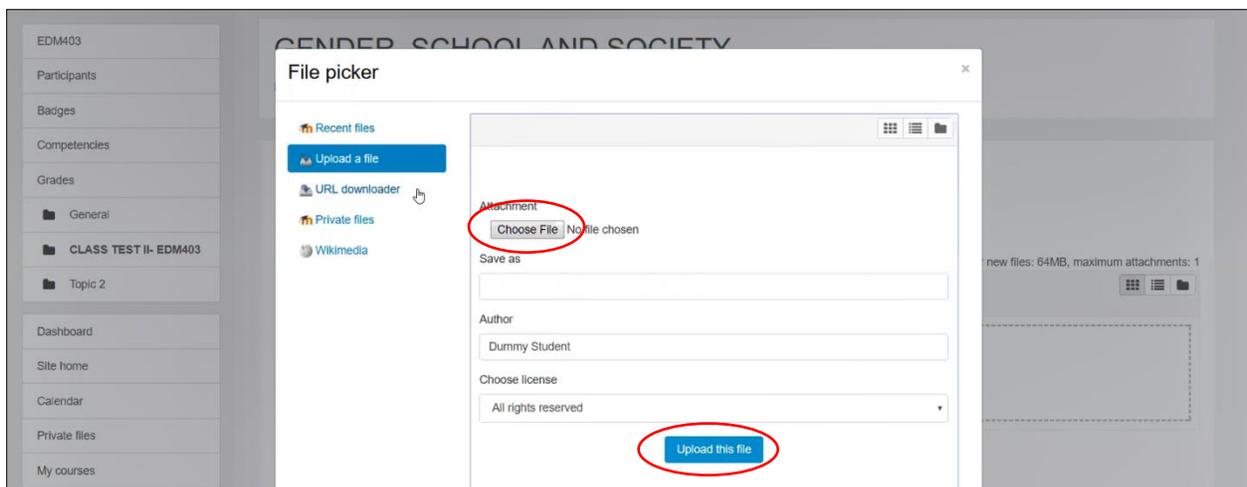

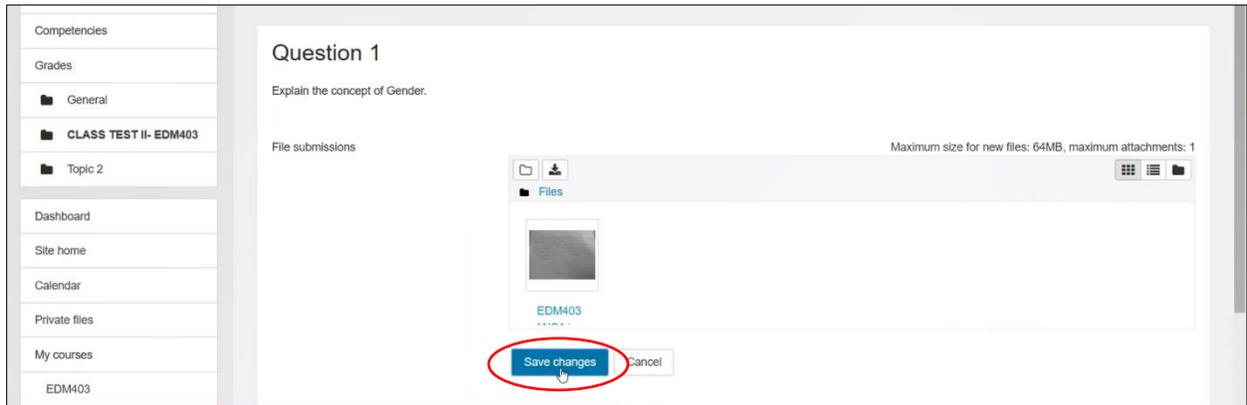

7. Click on add files.

8. Choose a file to be uploaded (as an answer to the question preferably in pdf file format) and click on Upload this file button.

9. Click on save changes button and now the student can see the submission status.

10. The student can make changes into the file by clicking on Edit submission button at the bottom of the page.
